Fixing/Tampering

Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or The Owner of the said animal may be prohibited from again entering Stock for any of the Association's Shows, for such period as the Council may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering or of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and the Association reserves the right to have all animals inspected by the Association's Veterinary Officers, either prior to, during, or after judging.

The Association will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Association reserves the right to take any necessary samples. Any Person or Exhibitor (or his representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Council and dealt with at their discretion. In addition, the matter will be referred to the appropriate Breed Society or Organisation.

Any Exhibitor wishing to lodge an objection, having reference to livestock exhibited at this Show, must make the same in accordance with the objection requirements of the Association. If, on investigation, the objection is not sustained to the satisfaction of the Council, the sum thus deposited shall, at the discretion of the Council, be forfeited to the funds of the Association. All objections must be lodged on the same day as the alleged incident occurred in accordance with the objection regulations, and no objection will be **SUBSEQUENTLY** received, unless a reason, satisfactory to the Council be assigned for the delay.

Tuberculosis

Exhibitors must abide by legislation in place at the time of the Show.

A statement by the Suffolk Agricultural Association (SAA) concerning compulsory pre-movement TB Testing

Having considered the government's policy on TB testing, the SAA has decided that compulsory pre-movement TB testing will not be required to exhibit cattle at the Suffolk Show in 2024.

We fully appreciate the concerns over the TB situation in the UK and the SAA will continue to take advice from the APHA and from our Honorary Show Vets and to gather data and feedback from exhibitors. In consultation with our stakeholders and other Shows we hope that this will provide us with enough information to make an informed decision for future Shows.

The SAA continues to strongly advise all exhibitors to discuss appropriate biosecurity and animal health measures with their veterinarian.

PLEASE NOTE:

Classes scheduled to start at 8.30am will commence at that time. The judging times for later classes are subject to change, dependent on the level of entries, and exhibitors will be kept informed of any changes to the programme.

The flock's Scheme Status must also be shown on the entry form.

An original VALID SAC MV CERTIFICATION, completed with the animals' details and signed and dated for the movement date to the Show by the exhibitor, MUST accompany the sheep to the Show. Exhibitors MUST hand in the COMPLETED certificate on arrival at the entrance to the Showground otherwise they WILL NOT be permitted to unload any sheep in the Maedi Visna accredited area.

Sheep Health Scheme entries from MAEDI/VISNA MV accredited flocks will be penned in separate shedding in accordance with the information declared on the entry form by the Exhibitor. There will be clearly marked walkways for MV accredited and non accredited sheep and separate unloading and re-loading areas.

Where MV accredited and non accredited sheep are to be judged in the same ring the following rules apply:

- All sheep must be halter or collar led;
- The judging ring will be divided by two lines of barriers with a 2m gap between to prevent contact between the different categories;
- Non accredited sheep will use a different entrance/exit to the ring from the MV accredited sheep.

Exhibitors (flock owners) are responsible for the following:

- The prevention of any contact with sheep/goats that could compromise the status of MV accredited sheep and goats;
- To follow the instructions of sheep stewards at all times;
- If it is suspected that the MV accredited status of a sheep/goat has been compromised, to inform the Steward and Association Veterinary Officer so that the appropriate action can be taken in liaison with the Sheep and Goat Health Scheme veterinary advisor.

Please refer to the Sheep and Goat Health Scheme rules for further details or contact - SAC Veterinary Services - Tel: 01387 267260 or E-mail: vcumfries@sac.co.uk.

This includes the statement that all female sheep are not pregnant, have not lambed in the 30 days prior to entry to the Show and have not been subject to procedures to change their breeding season. For Dorset Horn, Polled Dorset, Finnish Landrace and animals which have been subject to procedures to change their breeding season, each individual female animal must be accompanied by a written declaration to the same effect from the flockmasters or their agents.

Membership is optional for all livestock and equine classes although Members and Vice Presidents receive a reduction on their entry/stall fees.

14 ENTRY FEES

A summary of entry fees can be found on page seven of the Prize Schedule. The Association will not be responsible for entries received after the closing date and exhibitors and competitors are advised, therefore, to send their entries written-out correctly on SAA forms, along with the Summary of Entries Form and full payment, well before the official closing date, in view of the postal delays which occur. VAT is payable on all entry fees. **There will be a compulsory first aid charge of £5.00 per exhibitor.**

Refunds on entry fees will only be considered if a vet/medical certificate is supplied to the Association by 12.00pm on 31 May 2024, stating that the animal/exhibitor is unfit to show, and provided that the complete exhibitor pack, containing ALL wristbands, vehicle passes etc are returned, unused, to the Equine and Livestock Office within three days of the Show. Entries not forward for any reason other than injury or illness will forfeit all entry fees.

15 CANCELLATION OF ENTRIES

If the Trustee Board shall refuse entry(ies) or cancel any class(es) then such entry fees may be refunded at the discretion of the Trustee Board. The Association may refuse any entry, or cancel any entry already accepted, without any reason for doing so and reserves the right to refuse entries from any person who is under exclusion or suspension by any Breed, Livestock or Show organisation. Whenever under this Regulation an entry is refused or cancelled, or an exhibit is refused admission or removed, the fees paid for any such exhibit may, at the discretion of the Trustee Board, be refunded and, if refunded, shall be accepted by the exhibitor or intending exhibitor in full satisfaction of all claims against the Association.

16 AMALGAMATION OF CLASSES

If the number of entries received in any one class is less than three and the number of exhibitors is less than two per class, then the Association reserves the right to amalgamate these classes where possible or, if not, to cancel the class(es) and refund the entry fees.

17 CONDUCT OF EXHIBITORS/ATTENDANTS/SPECTATORS & EXPULSION FROM SHOWGROUND

Any act of discourtesy to any judge, steward, Show Official or Show Organiser on the part of the exhibitor, groom, rider, attendant, handler, driver or agent of an animal will, at the discretion of such official, disqualify that animal from being judged, in which case entry fees, prizes and charges will be forfeited.

The Honorary Show Director shall have the power to remove from the Showground the stock or property belonging to any exhibitor who shall infringe any of the regulations or conditions of the Show, or who shall refuse to comply with any instructions given by the Stewards.

Exhibitors will be held responsible for the behaviour of their employees and for any penalties imposed for misconduct.

Any improper or offensive behaviour by an exhibitor, member of their party or member of the public which could be deemed to affect the outcome of a class must be reported to the steward of the class immediately. The SAA reserve the right to expel from the showground the party or parties concerned and, if relevant, for the exhibitor to be disqualified from the class and any future classes at the current or future Shows, whereupon entry fees, prizes and charges will be forfeited.

18 OWNERSHIP OF EXHIBITS

Stock entered for the Show must be the bona fide property of the Exhibitor at the time of entry and must be catalogued and exhibited under that name. This does not prevent an animal being sold after entry, provided it is exhibited in the name of the person who entered it. An entry or entries may be submitted on behalf of an exhibitor by an agent but in no case can the agent be described as the joint exhibitor unless he or she is bona fide, the joint owner of the exhibit entered. In the event of the death of an exhibitor between the date of entry and the date of the Show, the executors of the deceased will be deemed to be the exhibitor.

19 CORRECTNESS OF ENTRIES

Please check registration documents before submitting entries; the names of animals given on the entry forms **MUST** be those that are registered with their respective Breed Societies and entries **MUST** be catalogued under the name of the registered owner. Catalogue proofs may be sent to Breed Societies to check.

Each exhibitor will be held responsible for the correctness of his entries and these must be made in a proper manner on the official and appropriate form, signed by the exhibitor or an authorised agent, and comply in every respect with these By-laws and conditions, and to be accompanied by the appropriate fee or fees as specified on the Summary of Entries form. The Association will not accept responsibility for the correctness of any pedigree or other particulars inserted in the Show Catalogue, although every care will be taken to ensure accuracy.

Entry fees will not be refunded to exhibitors who enter ineligible animals.

20 NOMINATION OR SUBSTITUTE ENTRIES

Nominations or substitute entries will not be accepted after the entry closing. Any person who has made an entry in any class and fails to exhibit shall forfeit all fees and charges paid.

21 ABSENTEES

For every animal, or pen of animals, entered for the Show and not exhibited, a fine of £5.00 will be imposed, unless the Secretary be properly informed beforehand that absence is caused by death, accident or disease of the animal or animals concerned. The amount of the fines so imposed will be deducted from the Prize Money, otherwise the exhibitor will be expected to pay the fine. In default the exhibitor's entries will not be accepted the following year.

22 CHAMPION AND SPECIAL PRIZES

A Championship award is for the best exhibit, or best male or female of one breed, exhibited at the Show and entry for a Championship Prize is automatic. No animal is eligible to compete for a Special or Championship Prize unless it is entered in another class for which an entry fee has been paid. No entry fee is required in respect of Champion or Special prizes.

1st and 2nd prize-winners must, where eligible, parade for the Championship Prizes or they will be liable to forfeiture of their class prizes.

23 PRIZE MONEY

Prize money offered relates to the number of entries catalogued in each class. See respective sections for details.

Cash prizes offered by the Association will be paid by BACS soon after the Show. No prize money will be paid to Exhibitor unless all entries are paid in full before the show. All prize monies will be paid in the name of the Exhibitor under which the entry is made, they will not be made payable to a third party eg an agent. Prize money will not be paid out after 30th September 2024.

Unclaimed prize money will be re-utilised into the associations core purpose, Education.

The Association cannot accept responsibility for Special Prizes offered by Breed Societies.

24 CUPS AND TROPHIES

Cups/trophies will be engraved with the name given by the exhibitor on their entry form as their Catalogue Name (only one name per exhibitor). No other names will be accepted and alterations will not be made.

Exhibitors will no longer be able to take trophies home.

25 PARADES

It is a condition of entry that all Heavy Horses, Cattle and Sheep parade in the Grand Ring as indicated in the Programme or as directed by the Stewards, and any exhibitor or stockman who (without permission from the Steward of the section) is absent when called upon will be reported to the Trustee Board, who shall have the power to debar such exhibitor from showing at future Shows of the Association. **IMPORTANT:** Suffolk Horse, cattle and sheep exhibitors who do not appear with their animals in the Grand Parade on both days may forfeit their prize money and stabling/stall refund.

26 SMOKING

Exhibitors **MUST** abide by the legislation banning smoking in enclosed public places – for further information go to www.smokefreeengland.co.uk.

Smoking by persons in charge of animals during judging or during parades/displays is strictly prohibited. Because of the risk of fire, there is also a strict no smoking policy in all equine/livestock accommodation areas.

27 DRESS

Stock attendants in charge of sheep and pigs must wear white coats when leading animals in the ring during judging and parades. Stock attendants in charge of cattle must wear white coats or breed society uniform.

28 COMPETENCY AND SUPERVISION OF ANIMALS

All exhibitors of stock must be competent handlers. All livestock exhibitors must ensure supervision of livestock at all times whilst the animals are on the Showground.

29 JUDGES INTEREST IN ANIMALS

Exhibitors are not permitted to enter an animal in any class which is to be judged by a person who has bred or has a financial interest in the animal. The onus on complying with this regulation rests entirely with the exhibitor. However, if through unforeseen circumstances, a judge has before him/her an animal which he/she has bred, owned, produced, had at livery in his/her yard or from which they have had financial gain, he/she shall place all the other animals in the class and shall then call in a referee judge to place the particular animal in question.

30 SUBSTITUTION OF JUDGES

The Association reserves the right to substitute other judges for those mentioned in the Prize Schedule or make additional appointments without notification to Exhibitors and others. All entries are accepted on this understanding and there will be no refund of entry fees where substitutions are made. Notification of changes will be posted on the website at suffolkshow.co.uk/entries and, should time permit, exhibitors may be informed in writing.

31 PRIZES AWARDED

Judges are asked not to award any prize in classes in which the animals exhibited do not possess sufficient merit. Where there is only one entry shown in a class the Judges may award the 1st, 2nd, 3rd or 4th prize according to the merit of that entry.

32 JUDGES

Judges are not to be spoken to by any ringside spectator or exhibitor during the time judging is taking place and the Stewards will be asked to stop this practice.

33 JUDGING TIMES

Any ring timetables publicised are provisional and may be subject to change. It is the responsibility of the exhibitor to ensure that they arrive on the showground in sufficient time for the commencement of their classes. The Association will not accept responsibility for any exhibitor missing their class(es) and under no circumstances will fees be refunded.

34 JUDGING ORDER

Cattle, sheep, pigs and goats will be required in their respective Judging Rings in Catalogue order, as directed by the Stewards.

35 ROSETTES

No animal will be allowed to wear or be displayed with any rosettes or ribbons other than those issued or awarded by the Association at the current year's Show.

36 PROTESTS

In all cases of a disputed prize, the protest, in writing, shall be made to the Chief Executive within one hour after the class is judged. The Chief Executive shall immediately give notice to the person against whom it is made, and shall report the same to the Honorary Director and Stewards of the Section concerned who shall, if possible, decide the case before the conclusion of the Show, otherwise it shall be referred to the Trustee Board, the decision of either the Stewards or the Trustee Board to be final. When an objection is heard, both the objector and the person objected to shall have notice.

Any person or persons lodging a protest shall deposit the sum of £50.00 with the Chief Executive. If the objection involves testing for prohibited substances, the deposit required would be increased to cover the costs of sampling and laboratory examination. If, upon investigation, the protest is considered frivolous, the sum thus deposited shall be forfeited to the funds of the Association.

No member of the Trustee Board shall take part in the settlement of a disputed prize for which he is a competitor.

37 VETERINARY INSPECTIONS

Veterinary Officers will be appointed by the Association and will be in attendance at the Duty Veterinary Officers' office at the rear of the cattle centre on the Showground should they be required by the Judges or should a protest be made respecting any animal. If the Veterinary Centre is not manned contact may be made through the Woodward Centre during opening hours or via the Main Entrance Security personnel overnight.

Animals will not be subject to a veterinary inspection on the Showground except when considered necessary by the Judge or unless otherwise stated in the Prize Schedule or legislation.

The Honorary Director or any Senior Steward shall have the power to call a Veterinary Officer to examine any animal in the Showground and an Exhibitor shall be liable if an animal he has sent to the Show shall, to his knowledge, be suffering from any infectious or contagious disease and this may result in legal action.

No animal under sedation will be admitted. Any animal sedated on the Showground must be transferred home.

38 VETERINARY CHARGES

Exhibitors are liable for any costs incurred from treatment carried out by the Show's Veterinary Officers.

In the event of death of an animal the costs associated with the disposal of the carcass are the responsibility of the exhibitor.

39 ISOLATION

The Association's Veterinary Officers or those appointed by DEFRA are authorised to exclude or place in isolation any animals which, in their opinion, are exhibiting any symptoms of contagious or infectious disease, or any other condition which they consider warrants its exclusion or whose identity cannot be adequately established. In such event, a certificate recording the findings of the Inspector shall be handed to the person in charge of the rejected animal(s).

Each exhibitor of livestock shall be responsible for payment to the Association for costs incurred as and for liquidated damages for any animal sent for exhibition which has to be placed in isolation because it is showing signs or symptoms of contagious or infectious disease, or any form of disease likely to prove dangerous to other animals.

Exhibitors are responsible for ensuring in the event of the area from which entries are to be conveyed to the Show being declared a Movement Prohibited Area, that such entries are not sent for exhibition.

40 EMERGENCY VETERINARY TREATMENT

It is a condition of entry to the Show that the Association's Veterinary Officers can treat any animal if emergency treatment is required and this applies whether or not the owner/exhibitor is present at the time. If emergency treatment is provided, exhibitors are responsible for the cost of any medication or drugs used in the treatment of their animal and payment arrangements must be made directly with the vet.

Owners shall be responsible for the costs of transportation for additional treatment if necessary.

41 MISUSE OF DRUGS

The Association prohibits the administration to Show exhibits of tranquilisers and other substances which may in any way affect the performance of the animal in question or have the effect of making it behave in the Show Ring in a manner which is not natural. Any exhibitor (or his/her representative) who is found to have administered or permitted the administration of any such substance to any show exhibit will be dealt with at the Association's discretion. In addition, the matter will be referred to the appropriate Breed Society or Organisation.

Exhibitors must not bring tranquilisers/sedatives on to the showground.

The Association reserves the right for any appointed Veterinary Officer to take any necessary samples for subsequent analysis from any animal exhibited at the Show.

42 HEALTH & SAFETY REGULATIONS AT AGRICULTURAL SHOWS

In accordance with the Health & Safety Legislation, all livestock exhibitors/stock attendants and equestrian exhibitors/competitors/grooms must comply with the above.

Exhibitors need to be aware that this is a busy agricultural Show with large crowds and traditional displays performing throughout the Showground; total segregation from both the general public and noisy attractions cannot, therefore, be guaranteed.

If an exhibitor has a nervous or highly strung animal they should consider whether it is prudent for them to risk bringing this animal to a busy agricultural Show.

The Show environment can be upsetting for horses and livestock, even those of a normally placid temperament. Horses or livestock with unstable or aggressive temperaments must not be brought to the Showground.

When in the opinion of the Association's Officers, the Police, the Health & Safety Executive or other competent authority an animal's behaviour poses an immediate threat to life and limb of people in its immediate vicinity the Association reserves the right to instruct an authorised person to mitigate such threat in such a manner as shall to that authorised person seem appropriate, not excluding the humane destruction of the said animal and by exhibiting at the Suffolk Show exhibitors are deemed to authorise such person or persons to so act.

Exhibitors by exhibiting at the Suffolk Show acknowledge and agree that the Company, its employees, servants and agents shall not be liable for any such matters as are referred to in this By-law and in particular but not by way of limitation that the Association shall not be liable for any loss or damage (whether direct or indirect or consequential) suffered as a consequence of the Association instructing such person or persons as are referred to above. Further, each exhibitor by exhibiting at the Suffolk Show hereby indemnifies and agrees to indemnify the Association, its officers, agents and employees from and against any and all liability, claims and costs which result therefrom.

43 BY SUBMITTING ENTRIES YOU ARE CONFIRMING THE FOLLOWING:...

You are stating that you understand, confirm and agree to the following statement:
To the best of my knowledge and belief, the animal(s) I have entered is/are free from clinical disease at the time of entry. I further declare that all necessary precautions will be taken to prevent the said animal(s) from being exposed to infectious or contagious diseases from the time of entry to their arrival on the showground.
Each and all of the particulars given are correct to the best of my knowledge and belief; that these animals are my own property and that they are duly qualified, according to the Association and Breed Society regulations and conditions, to compete for the prize or prizes for which they are entered.
To conform, as an exhibitor, to all the By-laws and conditions of the Association; to hold the Association blameless in the event of any illness, loss or damage occurring to, or through, any animal I may enter or exhibit at the Show, or of mis-delivery of the same: and to indemnify the Association against any legal proceeding arising from any such illness, loss, damage or mis-delivery.

61 CATTLE HANDLING

The Health and Safety Executive have issued Notes of Guidance on the subject of Cattle Handling, available at www.hse.gov.uk. All bulls must be fitted with a nose-ring and must be attended at all times whilst the Show is open to the public. In the interests of safety, all bulls must be controlled at all times on the Showground by use of a suitable halter, nose chain, blinkers, leading poles etc as appropriate. Exhibitors must provide two experienced handlers during showing and all parades. The second handler may be at the head or the rear of the bull, at the discretion of the exhibitor.

62 FIXING/TAMPERING

Any artificial contrivance or device of any description (other than for the purpose of milking) found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or The Owner of the said animal may be prohibited from again entering Stock for any of the Association's Shows, for such period as the Trustee Board may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering or of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and the Association reserves the right to have all animals inspected by the Association's Veterinary Officers, either prior to, during, or after judging.

The Association will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Association reserves the right to take any necessary samples. In addition the matter will be referred to the appropriate Breed Society or Organisation.

Any Exhibitor wishing to lodge an objection, having reference to Livestock exhibited at this Show, must make the same in accordance with the objection requirements of the Association. If, on investigation, the objection is not sustained to the satisfaction of the Trustee Board, the sum thus deposited shall, at the discretion of the Trustee Board, be forfeited to the funds of the Association. All objections must be lodged on the same day as the alleged incident occurred in accordance with the objection regulations, and no objection will be SUBSEQUENTLY received, unless a reason, satisfactory to the Trustee Board be assigned for the delay.

SHEEP

63 ACCOMMODATION

Sheep will be accommodated in hurdle pens, each exhibitors' sheep penned in adjoining pens, as far as possible, but not in the Commercial Sections.

Single sheep of the same sex and the same ownership may be penned together and, to this end and depending on space available, the Association reserves the right to reduce the number of pens requested by an exhibitor.

64 MV ACCREDITATION

An original VALID SAC MV CERTIFICATION MUST accompany the sheep to the Show and the completed form must be handed in on arrival at the entrance to the Showground otherwise exhibitors WILL NOT be permitted to unload any sheep in the Maedi Visna accredited area.

Sheep Health Scheme entries from MAEDI/VISNA accredited flocks will be penned in separate shedding in accordance with the information declared on the entry form by the exhibitor. There will be clearly marked walkways for MV accredited and non-MV accredited sheep and separate unloading and re-loading areas.

Where MV accredited and non-MV accredited sheep are to be judged in the same ring the following rules apply:

- All sheep must be halter or collar led;
- The judging ring will be divided by two lines of barriers with a 2m gap to prevent contact between the different categories;
- Non-MV accredited sheep will use a different entrance/exit to the ring from the MV accredited sheep.

Exhibitors (flock owners) are responsible for the following:

- The prevention of any contact with sheep/goats that could compromise the status of MV accredited sheep and goats;
- To follow the instructions of sheep stewards at all times;
- If it is suspected that the MV accredited status of a sheep/goat has been compromised, to inform the Steward and Association Veterinary Officer so that the appropriate action can be taken in liaison with the Sheep and Goat Health Scheme Veterinary Advisor.

Please refer to the Sheep and Goat Health Scheme rules for further details or contact: 01387 267260.

All sheep brought onto the Showground must have been dipped and moved in accordance with any DEFRA Regulations in force at the time.

65 SCRAPIE

To comply with the requirements of approval under the Scrapie Monitoring Scheme, all exhibitors must comply with and sign the Animal Health Declaration Form. This includes the statement that all female sheep are not pregnant, have not lambed in the 30 days prior to entry to the Show and have not been subject to procedures to change their breeding season. For Dorset Horn, Polled Dorset, Finnish Landrace and animals which have been subject to procedures to change their breeding season, each individual female animal must be accompanied by a written declaration to the same effect from the flockmasters or their agents.

66 SUFFICIENT TAIL

In view of the Animal Welfare Regulations, all sheep entered for the Show must comply with the regulation that sufficient tail will have to be retained to cover the vulva of female sheep and the anus of male sheep. This rule also applies to all imported sheep. Any sheep which fail to meet this legal requirement will be disqualified from classes entered and entry fees forfeited.

67 REGISTRATION

Classes for pure-bred sheep are restricted to animals from flocks entered in the Breed Society's Flock Book or Register.

68 FAKING

The use of artificial colouring on the face, ears or legs or the use of any means designed to deceive the judge shall be dealt with at the judge's discretion, which could lead to the animal in question being disqualified.

GOATS

69 ACCOMMODATION

All goats the property of one exhibitor will be stalled together so far as possible. There will be a limited number of pens and, in the first instance, entries will be accepted on a first come, first served basis from those who have supported the Show in the past four years.
